Flying Alarm Clock

New Supplier – better price! Digital alarm clock with generous sized LCD display, but when the alarm goes off, the helicopter blades are spun up then released. Expect it to rattle around your ceiling or maybe clear a shelf of your old sporting trophies. Disturb even the most recalcitrant teenager from their slumber. Of course, it does squawk its klaxon sound as well. The base features a demo button, so you can spin and launch at will. \$29.95

Roulette Drinking Game

Glass shot glasses surround the roulette wheel. The shot glasses are printed with numbers and either red or black. Spin the wheel, roll in the ball (2 ball bearings provided) see what drink is indicated. \$29.95

Bottle Opener Ring

This is keeping a bottle opener handy! This gents style finger ring

will open crown seal beer bottles. Imagine the pickup line jokes – Would you like to see what I can do with one finger?

Assorted sizes. \$5.00 each

Cub Utility Fork Spoon Pocket Knife

This pocket knife will split apart into two handles with fold out utensils. Blades (utensils) are stainless steel. Just the gadget for camping. Knife, Fork,

Spoon, Bottle Opener, Can Opener, Corkscrew, Keyring / Lanyard Loop. \$14.95

How to Amputate a Leg and Other Ways to Stay Out of Trouble

Nathan Mullins is an ex-cop, ex-soldier, ex-security consultant and an Australian Aid International volunteer, so he's experienced all sorts of dangerous stuff involving guns, explosions, surgical procedures, combat, sword-play, rioting and other potentially life-threatening behaviours all over the world. He has been lucky to survive some of his assignments and hijinks so he decided to share a few cautionary tales so everyone else can learn from his near misses. \$24.99

Remote Control Jousting Knights

We have had these before but now they are even better value. A pair of radio controlled mounted knights wielding lances. Knock your opponent off his horse to disable him. You keep your knight seated to control the horse.

Settle your differences the old-fashioned way. Let the Joust begin! Batteries included. \$49.95

Chess Clock Mechanical

Simple reliable mechanism requiring no batteries. Useful for timing turns in more games than just chess. \$39.95
